

2020 Texel Nomination Form

New to the Texel Sheep Breeders Society, the association will be offering a Futurity program beginning in 2020. In an effort to get a greater number of junior members interested and in turn involved, the Texel Sheep Breeders Society will be sponsoring a Futurity program for a Texel ewe lamb and yearling ewe each year. In addition, the implementation of this program will encourage more producers to exhibit and participate in Texel sheep shows and sales around the country, thus exposing the Texel breed to a larger audience. The Futurity program will make it beneficial for breeders to consign their very best animals to sales and motivate junior members to purchase high quality breeding stock. In addition to adding a top quality female to his or her flock, junior members are eligible to win additional premiums and awards at the conclusion of the exhibition year.

Junior members purchasing sheep must receive ownership by July 1, 2020. In order to complete the nomination process, the seller must fill out the form below and submit it to the association. The completed form must be accompanied by a payment of \$20.00.

Please fill out form completely, accurately, and submit to the attending Texel Sheep Breeders Society Board Director present at the sale.
