

TSBS MINUTES
MARCH 23, 2010
FOLLOW-UP MEETING

President Kerry Richardson call this follow-up meeting to order at 7:01 pm, c.s.t.

Board Members Present: Kerry Richardson; Walter Stubbs; Charles Wray; Bret Taylor; Ron Erdman; Beverly Pearsall and Niki Fisher

MEMBERSHIP DIRECTORY

It was felt that there needed to be clarification of the language used in having membership listings dropped or added to the TSBS Membership directory.

The proposed new language: Memberships must be paid by March 1 of any given year. If the membership payment is not received by this date, the member will be dropped from the Membership Directory. Once payment has been received, the member will again be added to the Directory within 30 days of notification from the registrar that the membership payment has been received.

Charlie made a motion to accept the above language. Walt seconded the motion. The ayes have it.

This will be added to the current registration work order and Walt will post it in the *TEXEL TIMES*.

ADS

Walt has been working on a co-op ad for those who are planning on participating at the National Show. Some who had said they wanted to participate have not sent in their money. The extra charges will now be divided by those who have committed to the ad.

A co-op ad idea will be presented to the whole membership to participate in at a flat rate. If there is not enough interest within the membership, then the ad will be dropped.

There was no further discussion.

Walt moved to adjourn the meeting. Bret seconded the motion. Meeting adjourned at 7:3 pm., c.s.t
