D: Fisher P44 16630

Pine Knob Farm 1919 is already a proven stud; he sired the best spring ram lamb currently in our barn. He is wide-topped, deep bodied, heavily muscled, and beautiful headed! He will be breeding ewes for us in April, and then he can go to work in your barn.

Here is an opportunity for you! P44 is the Fisher brood ewe we couldn't go home without two years ago in Sedalia. This ewe is a beast - she's given us 5 lambs in less than 9 months. Pine Knob Farm 1835 was the 2019 National Champion Ram; the best buck we've made to date. Pine Knob Farm 2004 triplet brother is slated to stand at stud for us, and his triplet sister sure isn't leaving the farm either. His older brother is consigned here as well, but only after being used in our breeding program. Bottom line the P44 line works well.

If we had room to get bigger, this ewe would certainly be staying in the barn and joining our brood ewe flock! Erdman 1004 and her daughter were the two best ewes we got with that flock, and the reason we decided to take them all. This ewe has stud ewe written all over her!

D: Erdman 1231 15242

This ewe is twin to our popular ram lamb shown last year who was Reserve Champion Texel Ram at the Indiana State Fair and Grand Champion AOB Ram at The Big E. He will be our lead at Sedalia this year. Pine Knob Farm 1934 is feminine fronted and walks out correct and wide. A great addition to any flock!
